### **Directors' report**

---

The directors are pleased to present their report to the members together with the audited financial statements of Halogen Foundation (Singapore) (the "Foundation") for the financial year ended 31 December 2014.

#### **Directors**

The directors in office at the date of this report are:

Lim Soon Hock (Chairman)  
Tam Chee Chong (Treasurer)  
Ann Tan Sian Ann  
Cho Pei Lin (Zhu Peilin)  
Martin Tan Beng Chong (Chen Mingzong)  
Thong Yuen Siew Jessie  
William Bruce Grahame Padfield  
Ramlee Bin Buang (Appointed on 25 September 2014)  
Mark John Sayer (Appointed on 25 September 2014)

#### **Arrangements to enable directors to acquire shares and debentures**

Neither at the end of nor at any time during the financial year was the Foundation a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Foundation to acquire benefits by means of the acquisition of shares or debentures of any other body corporate.

#### **Directors' interests in shares and debentures**

As the Foundation is a company limited by guarantee and not having a share capital, the statutory information required to be disclosed in the directors' report under Section 201(6)(g) of the Singapore Companies Act, Chapter 50 do not apply.

#### **Directors' contractual benefits**

Since the end of the previous financial year:

- (a) Except as disclosed in note (b) below, no other director of the Foundation has been paid any remuneration for being a director of the Foundation saves for reasonable reimbursements incurred by them in connection with their office as a director pursuant to Article 7.5 of the Articles of Association.
- (b) No director of the Foundation has received or become entitled to receive a benefit by reason of a contract made by the Foundation or a related corporation with the director, or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

**Halogen Foundation (Singapore)**

## Halogen Foundation (Singapore)

### Statement by directors

---

We, Lim Soon Hock and Tam Chee Chong, being two of the directors of Halogen Foundation (Singapore) (the "Foundation"), do hereby state that in the opinion of the directors:

- (i) the accompanying balance sheet, statement of comprehensive income, statement of changes in funds and cash flows together with notes thereto, are drawn up so as to give a true and fair view of the state of affairs of the Foundation as at 31 December 2014 and the results, changes in funds and cash flows of the Foundation for the financial year ended on that date; and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they fall due as the foundation has received sufficient funds to enable the foundation to continue as a going concern for the next one year.

On behalf of the board of directors

Lim Soon Hock (Chairman)  
Director

Tam Chee Chong (Treasurer)

## **Halogen Foundation (Singapore)**

### **Independent auditor's report For the financial year ended 31 December 2014**

#### **Independent auditor's report to the members of Halogen Foundation (Singapore)**

---

#### **Report on the financial statements**

We have audited the accompanying financial statements of Halogen Foundation (Singapore) (the "Foundation"), which comprise the balance sheet as at 31 December 2014, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the financial year then ended, and a summary of significant accounting policies and other explanatory information.

#### ***Management's responsibility for the financial statements***

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "Act"), the Singapore Charities Act, Chapter 37 (the "Charities Act") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair profit and loss accounts and balance sheets and to maintain accountability of assets.

#### ***Auditor's responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Opinion***

In our opinion, the financial statements are properly drawn up in accordance with the provisions of the Act, the Charities Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Foundation as at 31 December 2014 and the results, changes in funds and cash flows of the Foundation for the financial year ended on that date.

**Halogen Foundation (Singapore)**

**Independent auditor's report  
For the financial year ended 31 December 2014**

**Independent auditor's report to the members of Halogen Foundation (Singapore)**

**Report on other legal and regulatory requirements**

In our opinion, the accounting and other records required by the Act to be kept by the Foundation have been properly kept in accordance with the provisions of the Act.

During the course of our audit, nothing has come to our attention that causes us to believe that during the financial year:

- a. The use of the donation moneys was not in accordance with the objectives of the Foundation as required under regulation 16 of the Charities (Institutions of a Public Character) Regulations; and
- b. The Foundation has not complied with the requirements of regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 1. General

Halogen Foundation Singapore (the "Foundation") is domiciled and incorporated in Singapore as a Foundation limited by guarantee and not having a share capital. The Foundation was registered as a charity under the Charities Act with effect from 15 November 2003 and was first awarded the Institution of Public Character ("IPC") status on 16 November 2007 for a period of one year, expiring on 15 November 2008. The IPC status has since been renewed on 1 October 2013 and is effective for a further period of two years, expiring on 30 September 2015.

The registered office of the Foundation is located at 133 New Bridge Road, #15-03 Chinatown Point, Singapore 059413.

The principal activities of the Foundation, a charitable organisation, are to undertake, pursue, promote and advance educational, leadership and entrepreneurial causes and activities among young leaders and entrepreneurs irrespective of race, creed or religion. The Foundation relies mainly on sponsorships, grants and donations to fund such activities for needy and underprivileged youth.

#### 2. Fundamental accounting assumption

As of 31 December 2014, the Foundation's total liabilities exceeded its total assets by \$(145,916) (2013: net asset of \$76,476). These factors indicate the existence of a material uncertainty which may cast doubt about the Foundation's ability to continue as a going concern. The ability of the Foundation to continue as a going concern depends on the Foundation ability to obtain sufficient funds in the next one year. Subsequent to year-end, the foundation has received sufficient donation to enable the Foundation to continue as a going concern and the amount due to director was fully repaid.

If the Foundation is unable to continue in operational existence for the foreseeable future, the Foundation may be unable to discharge its liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets may need to be realised other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheet. In addition, the Foundation may have to reclassify long term assets and liabilities as current assets and liabilities. No such adjustments have been made to these financial statements.

#### 3. Summary of significant accounting policies

##### 3.1 *Basis of preparation*

The financial statements of the Foundation have been prepared in accordance with Singapore Financial Reporting Standards ("FRS") as issued by the Accounting Standards Council of Singapore as well as all related Interpretations to FRS ("INT FRS"), the Companies Act, Chapter 50, and the Statement of Recommended Accounting Practice 6 "Accounting and Reporting by Charities" issued by the Institute of Singapore Chartered Accountant. The Foundation is also subject to the provisions of the Charities Act, Cap. 37. Where presentation guidance set out in the Statement of Recommended Accounting Practice 6 is consistent with the requirements of FRS, the Foundation has sought to prepare the financial statements on a basis compliant with the recommendations of RAP 6.

The financial statements have been prepared on a historical cost basis except for fair value policies as disclosed in the accounting policies below.

The financial statements are presented in Singapore dollars ("SGD" or "\$").

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 3. Summary of significant accounting policies (continued)

##### 3.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Foundation has adopted all the new and revised standards and Interpretations of FRS ("INT FRS") that are effective for annual periods beginning on or after 1 January 2014. The adoption of these standards and interpretations did not have any effect on the financial performance or position of the Foundation.

##### 3.3 Standards issued but not yet effective

The Foundation has not adopted the following standards and interpretations that have been issued but are not yet effective:

<i>Description</i>	<i>Effective for annual periods beginning on or after</i>
Amendments to FRS 19 <i>Defined Benefit Plans: Employee Contributions</i>	1 July 2014
Improvements to FRSs (January 2014)	
- Amendments to FRS 102 <i>Share Based Payment</i>	1 July 2014
- Amendments to FRS 103 <i>Business Combinations</i>	1 July 2014
- Amendments to FRS 108 <i>Operating Segments</i>	1 July 2014
- Amendments to FRS 113 <i>Fair Value Measurement</i>	1 July 2014
- Amendments to FRS 16 <i>Property, Plant and Equipment</i> and FRS 38 <i>Intangible Assets</i>	1 July 2014
- Amendments to FRS 24 <i>Related Party Disclosures</i>	1 July 2014
Improvements to FRSs (February 2014)	
- Amendments to FRS 103 <i>Business Combinations</i>	1 July 2014
- Amendments to FRS 113 <i>Fair Value Measurement</i>	1 July 2014
Amendments to FRS 16 and FRS 41 <i>Agriculture - Bearer Plants</i>	1 January 2016
Amendments to FRS 27 <i>Equity Method in Separate Financial Statements</i>	1 January 2016
Amendments to FRS 16 and FRS 38 <i>Clarification of Acceptable Methods of Depreciation and Amortisation</i>	1 January 2016
Improvements to FRSs (November 2014)	
- Amendments to FRS 105 <i>Non-current Assets Held for Sale and Discontinued Operations</i>	1 January 2016
- Amendments to FRS 107 <i>Financial Instruments: Disclosures</i>	1 January 2016
- Amendments to FRS 19 <i>Employee Benefits</i>	1 January 2016
Amendments to FRS 110 and FRS 28 <i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	1 January 2016
Amendments to FRS 1 <i>Disclosure Initiative</i>	1 January 2016
Amendments to FRS 110, FRS 112 and FRS 28 <i>Investment Entities: Applying the Consolidation Exception</i>	1 January 2016
FRS 115 <i>Revenue from Contracts with Customers</i>	1 January 2017
FRS 109 <i>Financial Instruments</i>	1 January 2018

Except for FRS115 and FRS109, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 115 is described below.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 3. Summary of significant accounting policies (continued)

##### 3.3 *Standards issued but not yet effective (continued)*

###### FRS 115 Revenue from Contracts with Customers

FRS 115 was issued in November 2014 and establishes a new five-step model that will apply to revenue arising from contracts with customers. Under FRS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The principles in FRS 115 provide a more structured approach to measuring and recognising revenue. The new revenue standard is applicable to all entities and will supersede all current revenue recognition requirements under FRS. Either a full or modified retrospective application is required for annual periods beginning on or after 1 January 2017 with early adoption permitted. The Foundation is currently assessing the impact of FRS 115 and plans to adopt the new standard on the required effective date.

###### FRS 109: Financial Instruments

In December 2014, the ASC issued the FRS 109: Financial Instruments which reflects all phases of the financial instruments project and replaces FRS 39: Financial Instruments: Recognition and Measurement. The standard introduces new requirements for classification and measurement, impairment, and hedge accounting. FRS 109 is effective for annual periods beginning on or after 1 January 2018, with early application permitted. Retrospective application is required, but comparative information is not compulsory. The adoption of FRS 109 will have an effect on the classification and measurement of the Foundation's financial assets, but no impact on the classification and measurement of the Foundation's financial liabilities.

##### 3.4 *Foreign currencies*

The Foundation's financial statements are presented in Singapore Dollars, which is also the Foundation's functional currency.

Transactions in foreign currencies are measured and recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in the profit or loss.

**3. Summary of significant accounting policies (continued)**

**3.5 Plant and equipment**

All items of plant and equipment are initially recorded at cost. Subsequent to recognition, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Furniture and fittings	-	3 years
Renovation	-	5 years
Office equipment	-	2 years
Computers	-	3 years
Software	-	5 years

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment are derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in profit or loss in the year the asset is derecognised.

**3.6 Impairment of non-financial assets**

The Foundation assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Foundation makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Foundation estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

3. Summary of significant accounting policies (continued)

3.7 *Financial instruments*

(a) *Financial assets*

*Initial recognition and measurement*

Financial assets are recognised when, and only when, the Foundation becomes a party to the contractual provisions of the financial instrument. The Foundation determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

*Subsequent measurement - Loans and receivables*

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

*De-recognition*

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

(b) *Financial liabilities*

*Initial recognition and measurement*

Financial liabilities are recognised when, and only when, the Foundation becomes a party to the contractual provisions of the financial instrument. The Foundation determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

*Subsequent measurement*

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

**3. Summary of significant accounting policies (continued)**

**3.7 Financial instruments (continued)**

(b) *Financial liabilities*

*De-recognition*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

**3.8 Impairment of financial assets**

The Foundation assesses at each reporting period whether there is any objective evidence that a financial asset is impaired:

(a) *Financial assets carried at amortised cost*

For financial assets carried at amortised cost, the Foundation first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Foundation determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a Foundation of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial assets.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Foundation considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

**3. Summary of significant accounting policies (continued)**

**3.8 Impairment of financial assets**

(b) *Financial assets carried at cost*

If there is objective evidence (such as significant adverse changes in the business environment where the issuer operates, probability of insolvency or significant financial difficulties of the issuer) that an impairment loss on financial assets carried at cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment losses are not reversed in subsequent periods.

**3.9 Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand. It includes bank overdrafts that form an integral part of the Foundation's cash management.

**3.10 Provisions**

Provisions are recognised when the Foundation has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**3.11 Funds**

*Operating funds*

Operating Funds include funds to manage the daily operations of the Foundation.

*Restricted funds*

Donations to fund designated projects are taken directly to the restricted funds.

Income, expenditure, assets and liabilities of all funds are pooled in the income statement and balance sheet.

**3.12 Employee benefits**

(a) *Defined contribution plans*

The Foundation makes contributions to the Central Provident Fund ("CPF") scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

**3. Summary of significant accounting policies (continued)**

**3.12 Employee benefits (continued)**

(b) *Employee leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they are accrued to the employees. The undiscounted liability for leave expected to be settled wholly before twelve months after the end of the reporting period is recognised for services rendered by employees up to the end of the reporting period.

**3.13 Leases**

*As lessee*

Operating lease payments are recognised as an expense in the profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

**3.14 Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Foundation and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

(a) *Grants*

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised in profit or loss over the period necessary to match them on a systematic basis to the costs that it is intended to compensate.

(b) *Interest income*

Interest income is recognised using the effective interest method.

(c) *Rendering of services*

Revenue from rendering of services, which include Young Leaders Academy income and event management income that are of short duration, are recognised when the services are completed.

(d) *Donations and sponsorships*

Revenue from pledged donations are recognised when donors provide written commitments and there is no uncertainties regarding receipts. Revenue from other donations and sponsorships are recognised when received.

(e) *Rental income*

Rental income arising from operating leases on properties is accounted for on a straight-line basis over the lease terms.

**3. Summary of significant accounting policies (continued)**

**3.15 Contingencies**

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Foundation; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Foundation.

Contingent liabilities and assets are not recognised on the balance sheet of the Foundation, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

**4. Significant accounting judgements and estimates**

The preparation of the Foundation's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods. Management is of the opinion that there is no significant judgement made in applying accounting policies and no estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

**5. Membership**

The members of the Foundation comprise Martin Tan Beng Chong, Jeffrey Yip Kong Loong, Melissa Aratani Kwee Mei Wan, Palmer Michael Anthony, Lim Soon Hock, Tam Chee Chong, Cho Pei Lin, Ann Tan Sian Ann and Thong Yuen Siew Jessie.

The Memorandum of Association of the Foundation provides that the liability of the Foundation members is limited and each member undertakes to contribute \$10 to the assets of the Foundation in the event of it being wound-up during the time he is a member, or within one year afterwards for payment of the debts and liabilities of the Foundation contracted before he ceases to be a member.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

#### 7. Trade and other receivables

	2014 \$	2013 \$
Trade receivables	7,093	36,756
Grant receivables	37,330	60,000
Other receivables	8,860	5,000
Refundable deposits	14,835	22,642
Total trade and other receivables	68,118	124,398
Add: Cash and cash equivalents (Note 8)	–	56,250
Total loan and receivables	68,118	180,648

#### Trade receivables

Trade receivables are non-interest bearing and are on 30 days' terms. They are recognised at their original invoice amounts which represent their fair values on recognition.

#### ***Receivables that are past due but not impaired***

The Foundation has receivables amounting to approximately \$7,093 (2013: \$34,349) that are past due at the end of the reporting period but not impaired. These receivables are unsecured and the analysis of their aging at the end of the reporting period is as follows:

	2014 \$	2013 \$
Receivables past due:		
Lesser than 30 days	3,539	600
31 to 60 days	3,554	18,077
61 to 90 days	–	3,638
More than 91 days	–	12,034
	7,093	34,349

#### ***Trade receivables that is impaired***

The Foundation's receivables that are impaired at the end of the reporting period and the movement of the allowance accounts used to record the impairment are as follows:

Movement in allowance accounts:

	2014 \$	2013 \$
At 1 January	–	11,800
Allowance written back	–	(11,800)
At 31 December	–	–

The above receivables that are individually determined to be impaired at the end of the reporting period relate to debtors that are in significant financial difficulties and have defaulted on payments. These receivables are not secured by any collateral or credit enhancements.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 8. Cash and cash equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise the following at the end of the reporting period:

	2014	2013
	\$	\$
Cash at bank	–	56,250
Bank overdrafts(Note 11)	(12,106)	–
Cash and cash equivalents	(12,106)	56,250

#### 9. Trade and other payables

	2014	2013
	\$	\$
Trade payables	20,888	16,202
Amount due to a director	93,456	100,147
Accrued operating expenses	27,060	32,528
Other payables	6,098	3,625
Total trade and other payables	147,502	152,502
Add: Bank overdrafts (Note 11)	12,106	–
Total financial liabilities at amortised cost	159,608	152,502

#### Trade payables

Trade payable are trade in nature, non-interest bearing and are normally settled on 30 to 60 days' terms.

Amount due to director relates to expenses paid on the Foundation's behalf. The director has agreed not to recall the amount until cash flow of the foundation permits. Subsequent to year-end, the amount has been fully repaid.

#### 10. Deferred income

Deferred income represents consideration received for services not yet rendered.

#### 11. Bank overdrafts

Bank overdrafts bore interest at SIBOR + 3.0% p.a. (2013: Nil) and were unsecured.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 12. Donations

The Foundation was first awarded the Institution of Public Character ("IPC") status on 16 November 2007 for a period of one year, expiring on 15 November 2008. The IPC status has since been renewed on 1 October 2013 and is effective for a further period of two years, expiring on 30 September 2015.

As an IPC, the Foundation enjoys a concessionary tax treatment whereby qualifying donors are granted double tax deduction for the donations made to the Foundation. The tax-exempt receipts for donations collected during the year are as follows:

	2014	2013
	\$	\$
Tax-exempt receipts issued	296,503	545,731
Non-tax exempt receipts	3,000	5,000
	<u>299,503</u>	<u>550,731</u>

#### 13. Grants

Grants received relate to the Google Data Centres Grants Fund, received from Tides Foundation and Healthy Communities Grant, received from Salesforce.com Foundation.

In prior year, grants relate to the Youth Development Grants and Youth Organisation Capability Development Fund, received from National Youth Council ("NYC"). The grants are for the purposes of partnership between Halogen Foundation Singapore and NYC for youth projects undertaken by the Foundation and for the Youth Development Tools & Curriculum (YDT&C) scheme, respectively.

#### 14. Other income

	2014	2013
	\$	\$
Wages Credit Scheme	12,214	–
Childcare leave reimbursement	1,996	2,007
Miscellaneous income	2,133	2,687
	<u>16,343</u>	<u>4,694</u>

#### 15. (Deficit)/surplus before taxation

The following items have been included in arriving at profit before taxation:

	2014	2013
	\$	\$
Audit fee	(3,837)	(3,200)
Depreciation of plant and equipment	(19,558)	(26,071)
CPF contribution	(59,105)	(69,178)

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 16. Income tax expense

The Foundation has been registered as a Charity under the Charities Act, Chapter 37. Being a Charity, the Foundation is exempted from income tax.

#### 17. Operating lease commitments

##### *Operating lease commitments - as lessee*

The Foundation leases its office unit under a non-cancellable lease. The lease is for a period of 3 years with no renewal option or contingent rent provision included in the contracts.

The Foundation is not restricted from subleasing its premises to third parties. Minimum lease payments recognised as an expense in profit or loss for the financial year ended 31 December amounted to \$63,070 (2013: \$63,070).

The future minimum rentals under the non-cancellable lease as of 31 December 2014 are as follows:

	2014	2013
	\$	\$
Within one year	37,479	64,494
After one year but less than five years	16,920	32,799
	54,399	97,293

#### 18. Related parties transactions

##### (a) *Sale and purchase of goods and services*

In addition to the related party information disclosed elsewhere in the financial statements, the following significant transactions between the Foundation and related parties took place on terms agreed between the parties during the financial year:

	2014	2013
	\$	\$
Expenses paid by Executive Director on behalf of the Foundation	-	100,147

##### (b) *Compensation of key management personnel*

Short-term employee benefits	-	88,091
CPF contributions	-	9,754
Total compensation paid to key management personnel	-	97,845
Comprise amounts paid to:		
- Executive director of the Foundation	-	97,845

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 19. Restricted and operating funds

Total accumulated (deficit)/surplus of the Foundation of \$(142,902) (2013: \$76,476) comprises of the following:

	2014	2013
	\$	\$
<b>Restricted funds<sup>(a)</sup></b>		
Accumulated surplus as at 1 January	3,429	18,749
Funds utilised during the financial year	(3,429)	(15,320)
Accumulated surplus as at 31 December	–	3,429
<b>Operating funds</b>		
Accumulated surplus/(deficit) as at 1 January	73,047	(4,747)
Funds utilised during the financial year	(971,165)	(1,084,875)
Funds received during the financial year	752,202	1,162,669
Accumulated (deficit)/surplus as at 31 December	(145,916)	73,047
<b>Total accumulated (deficit)/surplus</b>	(145,916)	76,476

(a) These are funds received and utilised for the purposes of the Cambridge-Halogen Youth Leadership Program.

#### 20. Fair value of financial instruments

##### *Fair values*

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction, other than in a forced or liquidation sale.

##### *Financial instruments whose carrying amount approximates fair value*

Management has determined that the carrying amounts of bank overdrafts, deposits, trade and other receivables, trade and other payables and accruals, based on their notional amounts, reasonably approximate their fair values because these are mostly short term in nature.

## Halogen Foundation (Singapore)

### Notes to the financial statements For the financial year ended 31 December 2014

---

#### 21. Financial risk management objectives and policies

The Foundation is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include liquidity risk and credit risk. The board of directors reviews and agrees policies and procedures for managing each of these risks and they are summarised below:

##### *Liquidity risk*

Liquidity risk is the risk that the Foundation will encounter difficulty in meeting obligations due to shortage of funds. The Foundation maintains sufficient liquidity by closely monitoring its cash flow and obtains financing via bank overdraft facility. The director has agreed not to recall the amount until cash flow of the foundation permits. Subsequent to year-end, the amount has been fully repaid.

The table below summarises the majority profile of the Foundation's financial liabilities at the end of the reporting period based on contractual undiscounted cash flows:

	No fixed maturity		Less than 1 year	
	2014	2013	2014	2013
	\$	\$	\$	\$
Trade and other payables	93,456*	100,147*	53,046	52,355
Bank overdrafts	–	–	12,106	–

\* Included in trade and other payables are amounts owed to a director with no fixed maturity. The director has undertaken not to recall the amount owed by the Foundation to him until the Foundation's liabilities have been settled.

##### *Credit risk*

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Foundation. The carrying amount of bank balances, trade and other receivables represent the Foundation's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk.

For receivables, the Foundation adopts the policy of dealing with customers of appropriate credit history, and obtaining sufficient security where appropriate to mitigate credit risk. For other financial assets, the Foundation adopts the policy of dealing only with high credit rated counterparties.

Receivable balances are monitored on an on-going basis with the result that the Foundation's exposure to bad debts is not significant.

**Halogen Foundation (Singapore)**

**Notes to the financial statements  
For the financial year ended 31 December 2014**

---

**22. Capital management**

The primary objective of the Foundation's capital management is to ensure that it maintains sufficient funds to support its operations.

The Foundation manages its capital structure and makes adjustments to it, in light of changes in economic conditions. The Foundation has an overdraft facility with the bank at the end of the financial year. The Foundation also relies on the director undertaking not to recall the loan owed by the Foundation until the cash flow of the Foundation's permit to continue its operation. The immediate focus is to continue to optimise its operations with prudent cash management. The Foundation will continue to be guided by prudent financial policies.

There was no change to the Foundation's approach to capital management during the financial years ended 31 December 2014 and 31 December 2013.

**23. Authorisation of financial statements for issue**

The financial statements of the Foundation for the financial year ended 31 December 2014 were authorised for issue in accordance with a resolution of the board of directors on 3 June 2015.
