The cards are the participants' to keep--in the future, they can use the deck as an application tool on their own or with their team for other business issues. The facilitator will need to provide each participant with their own deck of the LPI Action Cards.	\$26

2.5	Halogen Foundation (Singapore) ²	 <p>The Student Leadership Challenge Playbook</p>	Halogen Foundation (Singapore)	<p>The Student Leadership Challenge Playbook was created with permission to fill a gap in the student leadership development market of Singapore's education sector. It has since been updated with the fifth edition developed in 2019 with more recent examples, making the concepts more relevant and engaging for students' learning. Now, most of Halogen's 1-day or 2-day full-fledge SLC workshops are conducted using the Playbook as the main material, together with the Student Leadership Practices Inventory (Student LPI) Online. The Playbook has slowly become a staple for certified facilitators conducting SLC in their schools and organisations.</p>	\$12/ \$10 (SLCFT)
